**Barry Kelly, Tim Jones, David Wolfe, Allan Rosson : Foundation Flash Cartoon Animation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Foundation Flash Cartoon Animation:

One of Flashs most common uses is still animation for cartoons, games, advertising etc, and this book takes a fresh look at the topic, breaking it down pre-production, production, and post production, and looking at each section in detail. It moves on to cover topics such as storyboarding, character libraries and camera mechanics like no book on Flash has done before. Its been written by members of the Emmy award winning ANIMAX team, who have created work for clients such as Disney, AOL, Fox, WWE, ESPN, and Sesame workshop.
