GALACTIC FRIENDS, The CE5 Coloring Book, is a fun introduction to UFO's, Starships, ETs, Extraterrestrials, Star Clusters, Constellations, Planets, CE-5 (Close Encounters of the 5th kind), Meditation, Universal Peace friendship, and Earth's Environment. A positive fun look at ETs and UFOs! Suitable for all ages including adults. 20 Coloring Pages, each printed on a separate sheet of paper to prevent coloring marker bleed-thru (one sided printing). Nice White paper. Glossy cover and back, wipes clean. Fun, easy to handle 8"x10" size. Suitable for colored pencils, crayons, (for

markers, place a separate sheet of paper behind your coloring page first to prevent bleed through.)
